To Whom It May Concern,

We are pleased to recommend **Muhammad Asmaad Saeed**, who successfully completed an internship in **Data Science** at Data Zenix Solutions.

During the internship, He was given different tasks to improve practical skills in data handling, analysis, and reporting. I confirm that all tasks were done on time and correctly, showing a good understanding of the work.

Muhammad Asmaad Saeed was committed, disciplined, and eager to learn. We believe he will be a valuable part of any team or academic program.

Best regards,
Team Data Zenix
